

RICKY PAUL PUCKETT

THE COUNTRY BOY

The fertile farmlands of Tallulah, Louisiana, provided Paul Eric Puckett aka "Ricky Paul" with a lifelong affection for nature's beauty, and the love of God. Between the early days of singing in the fields, at school events, and at Shady Grove Missionary Baptist Church, his anointing set his path for Spiritual Growth and a personal mission to spread God's word. He has been working hard in his music ministry for thirty plus years and counting. Today, God's anointing has gifted him not only as a Vocal Recording Artist, but also United States Army Veteran, Songwriter, Playwright, Poet, Executive Producer, Actor, Author, and Philanthropist. Ricky Paul is a Christian TV host (3-years and going) for Around God's Throne on All Nations TV Network. His literary contribution to Christian ministry, titled Collection of Songs Inspired by God, was released December 2020.

The King of soulful country gospel music and an International Indie Gospel Artist Ricky Paul, his passion for ministry shows itself as he shares the Word of God, prays, and sings praises to God with the residents and staff of several nursing homes in his hometown, throughout Hill County and surrounding counties. He loves to worship God in song because God has truly blessed him as he celebrates his 12th year as a post-liver transplant and cancer survivor. He cannot help but share his awesome testimony wherever he goes.

He lives with his wife and biggest supporter, Diana, in Hillsboro, TX. He and his wife have traveled thirty plus years spreading the gospel through song affecting the lives of many through worship.
