

THE COUNTRY BOY MISSION STATEMENT

This is Who I Am.

My music is my way of loving on God, His way of soothing my soul; my way of thanking Him for what He has done, His way of easing my pain; my way to show my gratefulness, His way of giving me peace; my way of praising His holy name, His way of inhabiting my praise. I hope you enjoy the praise, the worship, and receiving the message from the songs.

Be blessed in the Lord,

Ricky Paul
